ATTENTION: Please use this form to plan for your summer semester(s) at Eastfield College. It is your responsibility to bring this registration form to an academic advisor once registration begins. Advisors will be available to answer questions in the advising center (C-120); however, if you are eligible to register online you are **required** to do so when registration begins (check with the advising office for dates).

If you are enrolled in any developmental courses and you have not received a final grade that has posted to your record, it is your responsibility to obtain an advisement form from your instructor stating the next appropriate level.

Students receiving FINANCIAL AID MUST pay for Maymester classes before registering for Summer I in order to be reimbursed.

The courses you have selected are **not guaranteed**. Therefore, it is important that you print your registration summary in the eConnect Center.

**Students are responsible for verifying that their registration receipt accurately lists all courses requested.*
